13) Kind reference is invited to the report of the L.D. officer (flagged F). It is seen therefrom that the private properties acquired for the purpose of a shelwasala are under possession of Government ever since 1929 for being given over to Sir Tulasi Bai, wife of the late Thacker Desaji Shivdas Valwa

14) Reference is also invited to the communication flagged A in which the applicant Lady Tulasi Bai had pointed out that Government had arranged to acquire the necessary properties (shivalaya) by the side of the palace garden and Mantaps to the north-east of Jeejee Samadhi. She has

present letter under disposal, to Govt. the

has stated that there is a wish to give her some land other than the one already granted, and that the site given for the purpose of the Dharmasala be not changed.

15) From the S.D. officer's report it is seen that the grant of land out of the Palace garden is not free from objection (Sketch No I flagged B), and that the portion of the land lying just to the South of the acquired lands by the side of the road along with a bit of land comprised in the Palace garden to the west of the wall which separates the western portion of the garden and the western compound wall of the Palace garden (Sketch No II flagged H) may conveniently be given over to the applicants, as these lands proposed to be given belong to the Temple.

16) The position of the case seems to be this — at present the land already acquired is 50'×50' and this extent is found to be very small; it is therefore proposed by the authorities to acquire fresh lands, the grant of which is not open to any objection, to an extent

20' by 58' so as to make the whole land available for the Dharmasala at Melkote measures 70' by 108' which may be sufficient for the purpose.

17 The letter from Sri Tulasi Das may perhaps be sent to the D.C Mysore for necessary action

18 Reference para 10 supra.

25/3 26/3 19/The sub-asst. officer, Kunch Rocks proposes to give land lying to the south of the site now granted to Mr. Deoji Shivdass Varma for constructing a Dharmasala at Melkot as the land already acquired for the Dharmasala is very small since it measures only 50 ft by 50 ft. But this additional bit of land now proposed to be given for the construction of the Dharmasala was given to Sri Yatti-raja Matt with a mantap adjoining the land for locating its Library. (Vide G.O. No. 1220-21 Rev. 211-33-4 dated 12th March 1934). This order was confirmed by Govt. in an appeal case in G.O. No. 1253 Rev. 321-34-4 dated 9th March 1934.

S.D.O., Branch Rocks, contained in his report of 28th Janry. 1936 are in contravention of the orders of Govt. referred to above. It is a point for orders whether his attention, and that of the Tangrai Comr. and the Dy. Comr., Nilgiris be drawn to this fact and whether this fact may be verified by the Tangrai Comr.

2) Neither the Three Sketches sent nor the S.D.O's report can be said to indicate clearly the particular land that is proposed to be added on to the site (50'×50') acquired so far back as 1929 for the Dharmasala referred to by the Hon Tulasitai Devji in her letter dt. 23.11.35 to the Dewan (Page I)

2) Perhaps She may be informed now that the site 50'×50' required for the Dharmasala was acquired so far back as 1929 and is ready even now to be leased over to her for the Construction of the Dharmasala.

3) The question of further area of land for the Dharmasala need not be considered as, the land indicated

Respected Sir,

I the under signed widow of Deoji Shivdas late jewller to Your Excellency and His Highness The Maharajha of Mysore beg to state that a site for building a Dharmsala at Melkote was granted to us by your gracious self, and I had interviewed Your Excellency in this connection. This is just to bring to your notice that there is a move to give us some other land, I humbly prey that the site given to us be not changed and I am waiting for an official permis ion to uild the site, and the moment it is received I will take the work of building in hand.

Now then I prey for an early permission.

I Remain
Yours Sincerely.

.....

PERMISSION TO THULASIBOI FOR CONSTRUCTING A DHARMASALA AT MELKOTE

...

With reference to your Memo NO. H.349/35 dated 3rd October 35 and in continuation of my letter NO. Spl. 31/35 dated 13th instant on the above subject, I have the honor to state that the private properties required for purpose were acquired long back in the year 1929 and they are in the possession of Government ever since. Since Mr. Devi Sivadasverma the applicant having died about two years back, no action appeared to have been taken either by himself or by others related to him between the years 1929 to 1933 as stated the present petitiner Thulasiboi. As the acquired properties are in the possession of Government they may be handed over to the present applicant at any time.

2 As regards the grant of land comprised in the sketch NO. I enclosed in the file, I like to state that I inspected the sopt on 14-1-36 shown in the said sketch with some of the respectful members of the place and found that there is objection to give away the portion of land out the Palace gardens as marked in red ink in the said sketch. At the time of inspection, I also found that the objection is reasonable inasmuch as the view of the present Palace Gardens will be spoiled by giving away the nothern portion of the Palace garden marked in red ink in the said plan.

3 As the land already acquired is very small (50X50) for the construction of a Dharmasala, I propose that the portion of the land lying just to the south of the acquired lands by the side of a mantap reported to have been used for the Library of the Mutt at present, along with a bit of land comprised in the Palace Garden to the west of the wall which separates the western portion of the Garden and the western compound wall of the Palace Garden (vide: Sketch NO. 11) may conveniently be given over to the applicant, since there appears to be no objection to the grant of the proposed portion of the lands which happen to be properties of the Temple. Thus the portion that may be made available for the construction of a Dharmasala may

P T O

may measure about 70' X 108' which, I hope will be a sufficient area for the construction of Dharmasala.

Sketch NO. 111 also is a rough sketch to show the portion to be given over to the applicant. The connected Acquisition records and plans are submitted herewith.
